overthrew the established government of Gomez and placed General Rojas in power. Since this point, traditional government has been slowly wrenching power from the military, but frequently the two have not been operating as one force. The paramilitary groups further complicate the relationship between military and government. In the late 1960s, the Colombian army established the paramilitary groups as legitimate special operations groups. Violence was encouraged in these groups and oversight was minimal at best. The government turned a blind eye to the methods of torture and murder used by these groups, hoping they would succeed in obliterating the guerrilla organizations and establishing peace.
